## AGLOW™

### Hand Dishwashing Compound

Aglow liquid dishwashing compound cleans the greasiest kitchen utensils, pots, and pans; even cleans glasses without streaking. Aglow penetrates and emulsifies greases to actually float them away.

**APPLICATIONS:** Recommended for cleaning kitchen utensils, pots, pans, glasses, laboratory and scientific glassware, test tubes, beakers, slides, etc.

## ALL-NU™

### General-Purpose/ Non-Acid Disinfectant Cleaner

All-Nu is a lemon fragranced non-acid cleaner formulated to disinfect, clean, deodorize, and help remove mineral scale. Great for use on tables, sinks, toilets, walls, shower stalls, and other hard surfaces.

**APPLICATIONS:** Recommended for use in facilities such as hospitals, institutions, schools, and nursing homes.

## AWAKE™

### Concentrated Liquid Deodorizer

Awake will mask smoke, body odors, and stale smells with a clean lemon scent that lasts for hours.

**APPLICATIONS:** Recommended for use anywhere stale odors are a problem.

## BLUE HEAT™, M/M

### Clinging Oven Cleaner

Multi-Mist™ Blue Heat is an industrial-strength thickened formula that sticks to vertical surfaces and applies easily by sprayer, brush, or sponge.

**APPLICATIONS:** Recommended for use in ovens, and on racks, grills, and other oven surfaces.

## BRIGHT'N™

### Natural All-Purpose Cleaner

Bright'N is a highly effective all-purpose cleaner made with natural ingredients. The renewable ingredients give Bright'N a natural solvency that helps penetrate heavy soil buildup, then emulsify the soil and hold it in suspension for easy rinsing. It dilutes economically with up to 100 parts water and is suitable for use on all water-safe surfaces.

**APPLICATIONS:** Recommended for cleaning walls, floors, mini-blinds, dust mops, tables, plastic upholstery, fluorescent light fixtures, windows, lockers, sealed gymnasium floors, trucks, machinery, etc.

## CAST OUT™, M/M

### Odor Eliminator Spray

Multi-Mist™ Cast Out actually removes odors instead of masking or covering them up. It attacks odors at their source including smoke, cooking, and pet odors. It is also suitable for use on virtually all water-safe surfaces and comes in a convenient spray bottle. It contains no caustics or acids. Also available in bulk for fogging and heavy industrial applications.

**APPLICATIONS:** Recommended for use in nursing homes, hospitals, hospices, day care centers, restrooms, waiting rooms, laundries, kitchens, kennels, carpeted lobbies, rental automobiles, fleet vehicles, and other areas where odor is a concern.

## CHILL OUT™, M/M

### Freezer Floor Cleaner

Multi-Mist™ Chill Out is an effective solution for removing frozen deposits on freezer floors under extremely cold temperatures. It leaves no residue and is noncorrosive. It is effective to -20°F and removes meat fats, sawdust, and many other frozen deposits.

**APPLICATIONS:** Recommended for use in freezers and cold storage.

## CINNAMON FOAMING CLEANER EF, M/M

### Cinnamon-Scented Concentrated Foaming Cleaner

Multi-Mist™ Cinnamon Foaming Cleaner EF easily removes corrosion, oxidation, hard-water scale, soap scum, and other tough soils from hard surfaces. It creates a thick cinnamon-scented foam with surface tension depressants that can lift out dirt and dissolve tough soils. Loosened dirt easily rinses away.

**APPLICATIONS:** Recommended for cleaning almost every surface in restrooms, including walls, toilets, sinks, shower stalls and mirrors. Not for use on anodized aluminum or marble.

## CLING-ON™

### Multi-Surface Cleaner

Cling-On eliminates stubborn hard water scale, soap scum, rust, uric acid salts, and mold and mildew stains. Its thickened formula clings to surfaces to reduce waste. Cling-On cleans without heavy scrubbing or abrasives and also deodorizes.

**APPLICATIONS:** Recommended for use on chrome, stainless steel, porcelain, ceramic tile, grout, glass, iron, copper, brass, and PVC when used as directed.

## CREME CLEANSER, M/M

### Mild Abrasive Cleaner

Multi-Mist™ Creme Cleaner is excellent for removing stubborn spots, buildups, scuffs, grease, rubber marks, and soap scum. Use on brass, bronze, porcelain, ceramic, stainless steel, chromium, Formica®, fiberglass, and other surfaces. Controlled sudsing with free rinsing that leaves no film.

**APPLICATIONS:** Recommended for use in hospitals, nursing homes, schools, manufacturing plants, motels, and institutions with difficult-to-clean areas.

\*Reg. TM Formica Corp.

## CRYSTOLIN™ PLUS

### Water-Based Sealer for Hard-Surface Floors

Crystolin Plus is an acrylic polymer, water-based sealer for hard-surface floors. It is a permanent-type sealer that gives lasting protection to concrete, brick, slate, quarry tile, terrazzo, and other masonry floors. The water-based formula has no toxic or flammable fumes or special ventilation requirements for application and curing. Resists gasoline, oil, hydraulic fluid, and aromatic and aliphatic solvents. Helps prevent pitting and dusting. Covers up to 1,200 square feet per gallon.

**APPLICATIONS:** Recommended for use on concrete, brick, slate, quarry tile, terrazzo, and other masonry floors.

## DALGON™

### Mildew Stain Remover and Deodorizer

Dalgon is a mildew stain remover used to make mildew stains disappear and chemically destroy mildew odor. Its no-scrub cleaning power uses suds to penetrate mildew stains, remove body oils, and soap film. It needs no mixing; just spray on and rinse clean in minutes.

**APPLICATIONS:** Recommended for cleaning tile, grout, Formica®, marble, porcelain, stainless steel, ceramic, concrete, fiberglass, glass, plastic drapery, and shower curtains.

## DDS-164™ PLUS, C/M

### Germicidal Cleaner

Check-Mark™ DDS-164 Plus is for use on hard, non-porous environmental surfaces and is recommended for the cleaning, sanitizing, deodorizing, and disinfecting of floors, walls, sink tops, telephones, tables, chairs, bedframes, fixtures, and other environmental surfaces.

**APPLICATIONS:** Recommended for use in hospitals, food processing plants, meat packing plants, dairy plants, schools, municipal buildings, hotels and motels.

## DEOSCENT™, M/M

### Industrial Strength Deodorizing Granules

Multi-Mist™ DeoScent industrial strength deodorizing granules are excellent for use in garbage bins, refuse containers, trash receptacles, and back door areas. They are easy to apply, instantly effective, and work even in the hottest most demanding conditions.

**APPLICATIONS:** Recommended for use in institutions, municipal buildings, bottling plants, restaurants, breweries, schools, country clubs, sewage plants, food processing plants, veterinary clinics, golf courses, zoos, etc.

## DUO-STRIP™

### Re-Emulsifying Floor Stripper

Duo-Strip provides a single product for both stripping and cleaning wax-finished hard-surface flooring. Chemically converts wax buildup to its original liquid form for quick pickup instead of tedious scrubbing. Just spray or mop on, wait about five minutes, then use a wet vacuum or a standard mop to remove. Cuts time and labor costs because it minimizes scrubbing labor. No offensive ammonia odor.

**APPLICATIONS:** Recommended for use in hotels, apartment houses, office buildings, retail stores, hospitals, schools, public buildings, theaters, churches to strip floors of vinyl, vinyl asbestos, rubber tile, marble, terrazzo, and quarry tile.

## DUST FREE™, M/M

### Dust Remover

Multi-Mist™ Dust Free aerosol, is a non-contact, compressed-gas cleaning aid for removing dust, lint, and particulates from sensitive electronic equipment.

**APPLICATIONS:** Recommended for use on computers, keyboards, and other computer accessories.

COMMERCIAL  
CLEANING

## ENVIROSAN™ ADVANCED

### Disinfectant/Deodorant

Envirosan Advanced aerosol is a broad-spectrum germicidal spray for environmental surfaces that disinfects and deodorizes. It is a phenol/alcohol blend that is virucidal, fungicidal, tuberculocidal, staphylocidal, and pseudomonicidal. It also inhibits the growth of mold and mildew if applied on a regular basis.

**APPLICATIONS:** Recommended for use on hard, nonporous surfaces in hospitals, nursing homes, medical and dental offices, blood banks, laboratories, emergency treatment facilities, veterinary clinics, animal shelters, kennels, ambulance and patient transfer vehicles, police and law enforcement vehicles, prisons and jails, prisoner holding areas, offices, funeral homes, restrooms, hotels, motels, restaurants, schools, day care facilities, hair care shops and salons, and other institutions and industrial facilities that need to control the hazards of cross contamination.

COMMERCIAL  
CLEANING

## ENZONE™

### Odor Controller and Eliminator

Enzone is an odor controller and eliminator. It masks odors with a pleasant fragrance on contact, then the bacteria/enzyme action digests the odor source. It is non staining. Apply onto the surface to be treated and allow it to work from 30 minutes to 48 hours, keeping the surface moist through the waiting period.

**APPLICATIONS:** Can be used safely on fabrics and surfaces not harmed by water.

## FRAICHE™

### Ready-to-Use Room Deodorizer

Fraiche will filter into the room to attack malodors and freshen the air. Simply adjust for a fine spray. Spray once into the air or spray onto a paper towel and throw it into a trash can in the surrounding area.

Available in Floral, Green Apple, Mulberry, Potpourri, and Vanilla.

**APPLICATIONS:** Recommended for use in bathrooms, cafeterias, classrooms, entry ways, garbage cans, gymnasiums, hospitals, kennels, kitchens, locker rooms, morgues, nightclubs, nurseries and day care centers, restaurants, schools, sewage treatment plants, stables, trash bins, etc.

## GENTILLY™

### Machine Dishwashing Compound

Gentilly is a liquid machine dishwashing compound that is effective even when the soil load is unavoidably high. It cuts through the heaviest grease and soil, dissolves in water instantly, keeps machines clean and grease free, and leaves dishes, glassware, and flatware sparkling. It works equally well in soft and hard water.

**APPLICATIONS:** Recommended for use industrial automatic dishwashing machines.

COMMERCIAL  
CLEANING

## GLOSS CROSS™ PLUS

### High/Low-Speed Thermoplastic Floor Finish

Gloss Cross Plus resists detergents, scuffs, scratches, and heel marks; stands up to heavy traffic and extreme temperatures. It is like two products in one, as it allows for easy maintenance by diluting down to a spray buff solution. Remains transparent, won't yellow or discolor surfaces. Can be buffed with either a high-speed or a low-speed buffing machine. One gallon covers up to 3,000 square feet on initial coat, greater coverage on subsequent coats. Dries quickly and is self-leveling. Non-powdering.

**APPLICATIONS:** Recommended for use in office buildings, banks, retail stores, shopping centers, apartment houses, churches, restaurants, hospitals, schools, public buildings and institutions, auto dealerships, nursing homes, and hotels for all non-carpeted floor areas to which wax or polymer finish can be applied.

## GRANULAR DEODORANT, M/M

Multi-Mist™ Granular Deodorant contains odor controlling granuals. Product contains a mixture of long lasting wintergreen and citrus odors.

**APPLICATIONS:** Recommended for use in dumpsters, refuse containers, and garbage cans.

## GREEN ADVANTAGE™ DUO POWER™ GREEN

### General Purpose Cleaner

Green Advantage Duo Power Green is a safer alternative to toxic cleaners or solvents. Its concentrated formula can be used full-strength or diluted with water to be used on any washable, indoor, outdoor, or automotive surface. Great for removing grime, grease, soot, oils, dirt, and road film. Free rinsing formula will not harm glass, aluminum, or painted surfaces.

**APPLICATIONS:** Great for use on counter tops, decks, fiberglass, colorfast carpet and fabrics, canvas, sports equipment, painted surfaces, marble, stainless steel, chrome, plastics, cabinets, and window blinds.

## GREEN ADVANTAGE ECO WIPES™

### All-Purpose, Pre-Moistened Cleaning Wipes

Green Advantage Eco Wipes are an effective way to clean your water-safe surfaces. The all-purpose formula contains biodegradable surfactants: nonflammable, phosphate-free, contains no dyes, and low in VOCs. The wipes are soft and non-scratching, flushable, and dispersible. Comes in a recyclable container!

**APPLICATIONS:** Great for use on counter tops, tables/desks, fiberglass, painted surfaces, stainless steel, chrome, plastics, and cabinets.

### GREEN ADVANTAGE™ GLASS AND PLASTIC CLEANER

Green Advantage™ Glass and Plastic Cleaner is great for daily use on all glass, plastic, and other hard, nonporous surfaces to remove soils without streaking. Unique packaging provides the cost savings of a concentrate with the convenience of a RTU. Pre-filled cartridges slip into pre-labeled bottles so all you have to do is add water! Green Seal® Certified.

Each case contains 24 cartridges and 6 bottles with sprayers.

**APPLICATIONS:** Recommended for use in areas where a Green Seal Certified glass and plastic cleaner is required.

\* Reg TM of Green Seal, Inc.

### GREEN ADVANTAGE HYDROXY BOOST™

#### Multi-Purpose Cleaner

Green Advantage Hydroxy Boost provides outstanding cleaning power without the harsh ingredients of traditional products. With a mild, orange scent, Green Advantage Hydroxy Boost is a concentrated, oxygen activated multi-purpose cleaner that contains Hydrogen Peroxide for a powerful way to clean a variety of water-safe surfaces. It is excellent for use as a carpet stain remover, odor remover, tile and grout cleaner, mopping solution, glass cleaner, and bathroom cleaner. Recognized for safer chemistry by the US EPA Design for the Environment program.

**APPLICATIONS:** Great for use on carpets, tile and grout, glass, counter tops, tables/desks, fiberglass, stainless steel, painted surfaces, chrome, plastics, cabinets, and floors.

### GREEN ADVANTAGE MULTI-PURPOSE DEGREASER

Green Advantage Multi-Purpose Degreaser is great for everyday use in removing soil buildup from a variety of surfaces. It is ideal for removing ink marks from work stations, desks, countertops, and walls, as well as removing grease buildup. It is also high foaming and free rinsing. Unique packaging provides the cost savings of a concentrate with the convenience of a RTU. Pre-filled cartridges slip into pre-labeled bottles so all you have to do is add water! Green Seal Certified.

Each case contains 24 cartridges and 6 bottles with sprayers.

**APPLICATIONS:** Recommended for use in areas where a Green Seal Certified general-purpose degreaser is required.

### GREEN ADVANTAGE MULTI-PURPOSE DETERGENT

Green Advantage Multi-Purpose Detergent cleans tough soils, is effective to use on most water-safe surfaces, and has a pleasant orange fragrance. It contains no solvents and no harsh alkali and is dilutable 1:64. It is great for daily use on hard surfaces to prevent grime buildup. Green Seal Certified.

**APPLICATIONS:** Recommended for use in areas where a Green Seal Certified general purpose cleaner is required.

COMMERCIAL  
CLEANING

### GREEN ADVANTAGE™ NEUTRAL FLOOR CLEANER

Green Advantage Neutral Floor Cleaner is a cost-saving, highly concentrated floor cleaner specially formulated for cleaning high-gloss finishes. It works well with hard or soft water, is residue free, and low foaming for use in automatic scrubbing machines. The neutral pH protects flooring materials and finishes. Dilutable 1:64. Green Seal® Certified.

**APPLICATIONS:** Recommended for use in areas where a Green Seal Certified floor cleaner is required.

\* Reg TM of Green Seal, Inc.

### GREEN ADVANTAGE TILE, GROUT, AND BATHROOM CLEANER

Green Advantage Tile, Grout, and Bathroom Cleaner cuts soap scum, and grease, dissolves mineral deposits, and brightens and whitens grout. It is high foaming and free rinsing so it will leave no residue. Unique packaging provides the cost savings of a concentrate with the convenience of an RTU. Pre-filled cartridges slip into pre-labeled bottles so all you have to do is add water! Green Seal Certified.

Each case contains 24 cartridges and 6 bottles with sprayers.

**APPLICATIONS:** Recommended for use in areas where a Green Seal Certified bathroom cleaner is required.

### HEAVY-DUTY POWDER CONCRETE CLEANER, M/M

#### Concrete and Floor Cleaner

Multi-Mist™ Heavy-Duty Powder Concrete Cleaner uses deep-penetrating action to remove heavily embedded deposits of grease, rust, and oil from concrete. No mixing is required, so it is easily applied.

**APPLICATIONS:** Recommended for use only on concrete.

### HIT-THE-SPOT™

#### Penetrating Stain Remover and Deodorizer

Hit-The-Spot removes problem stains that can ruin fabrics and other water-safe surfaces. It deodorizes as it cleans, leaving no ring or residue. It can be used on most water-safe surfaces and fabrics. Even especially difficult and unpleasant stains such as old food spills can be removed so you will not be able to tell they ever happened! Hit-The-Spot is nonflammable and is not a disinfectant.

**APPLICATIONS:** Recommended for iodine, blood stains, food stains, grass, pet stains, coffee, tea, crayon, wine, cola, catsup, shoe polish, chocolate, makeup, lipstick, liquor, mildew stains, fruit juice, grime, urine, vomit, mud, black scuff marks, and many more.

## LAUNDRY DETERGENT, M/M

### Liquid Detergent

Multi-Mist™ Laundry Detergent is a liquid detergent that contains biodegradable surfactants and no phosphates. It is a blend of wetting agents and conditioners to effectively clean and brighten all fabric types.

**APPLICATIONS:** Recommended for use in all water temperatures with or without bleach.

## LIQUI-ZYME™

### Enzymatic Cleaner Concentrate and Laundry Pre-Soak

Liqui-Zyme is a non-bleaching liquid that breaks the stain/fiber bond. It is a high performance blend of powerful enzymes and surfactants formulated to break down organic stains such as blood, urine, feces, vomit, and food.

**APPLICATIONS:** Recommended for use as a laundry pre-soak.

## MULBERRY MIST™, M/M

### Mulberry Air Freshener

Multi-Mist™ Mulberry Mist is a concentrated air freshener to be used where odors are a problem. It will mask smoke, body odors, and stale smells with a clean, mulberry scent which lasts for hours. For use with the Eminence™ Fan Cabinet dispensing system.

## NU-AIRE™

### Concentrated Air Freshener

Nu-Aire is capable of masking odors for hours with a pleasing scent. It will mask smoke, body odors, and stale smells.

Available in Banana and Lemon fragrances.

**APPLICATIONS:** Recommended for use anywhere odors are a problem.

## LEM'N LIFT® PLUS

### Cleaner, Disinfectant, Deodorizer, Fungicide

A quaternary ammonium cleaner, deodorizer, disinfectant, and fungicide. It is an institutional-use cleaner designed to disinfect anyplace where controlling the hazard of cross infection from environmental surfaces is important such as hospitals, schools, and nursing homes.

**APPLICATIONS:** Effective for use on all hard, non-porous water-safe surfaces such as floors, walls, sinks, restrooms, garbage cans, and bed-pans.

## LOCK OUT™ PLUS

### Water-Based Acrylic Floor Sealer

May be used as a base coat prior to application of waxes or finishes. Use of a sealer under a floor finish improves appearance and durability.

**APPLICATIONS:** It is acceptable for use on all floor types but is not recommended to seal irregular surface floors. It is compatible with all floor finishes or waxes so long as they are water-based.

## PERFECTLY CLEAR™

### Glass and Multi-Surface Cleaner

Perfectly Clear is a powerful cleaner that removes dirt, film, smudges, fingerprints, lipstick, crayon, bugs, and other soils.

**APPLICATIONS:** Recommended for use on countertops, toilets, desktops, bathtubs, computer monitors, chrome fixtures, mirrors, windows, glass doors, sinks, and many more hard surfaces.

## REVIVE-ALL™

### Furniture Polish

Revive-all aerosol will provide a beautiful, clean finish on furniture surfaces. An enriched lemon oil formula cleans, waxes, polishes, and protects in one operation. Ideal for use on surfaces of wood, metal, vinyl, porcelain, chrome, stainless steel, marble, ceramic, and plastic tiles. Also ideal for cleaning and polishing fixtures made of porcelain, tile, and stainless steel.

**APPLICATIONS:** Recommended for use on wood, metal, porcelain, vinyl, chrome, stainless steel, marble, plastic, and tile.

## RINGO™

### Toilet Bowl Cleaner

Ringo cleans, disinfects, and deodorizes in one easy step. It quickly eliminates rust, lime, and uric acid deposits. It eliminates offensive odors and destroys listed bacteria.

**APPLICATIONS:** Recommended for use in commercial and industrial buildings, schools, manufacturing plants, hotels, and motels.

## SILVER SLIKS™ ADVANCED

### Stainless Steel Polish and Cleaner

Silver Sliks Advanced aerosol removes dirt, stains, spots, and smudges and restores stainless steel surfaces to their original sheen. It not only cleans, but leaves a residual metal preservative that acts as a repellent to spots, stains, and smudges. Contains no acids or abrasives so it will not powder, scratch, or mar surface beauty.

**APPLICATIONS:** Recommended for cleaning, polishing, and maintaining all stainless steel surfaces on machinery, equipment, and appliances found in hospitals, schools, cafeterias, and institutions.

## SURFACIDAL™, C/M

### Disinfectant Spray

Check-Mark™ Surfacidal aerosol is Pseudomonacidal, Virucidal\*, Fungicidal, Staphylocidal, and Tuberculocidal. Disinfects Herpes Simplex virus, Influenza A2 (Hong Kong), and HIV-1 (AIDS virus). \*Virucidal against Influenza A2 (Hong Kong), and Herpes Simplex (Type 2) on precleaned, inanimate, hard surfaces. Kills HIV-1 (AIDS virus) on precleaned environmental surfaces/objects previously soiled with blood/body fluids.

**APPLICATIONS:** Recommended for disinfecting bed frames, cabinets, countertops, door handles, sinks, light switch covers; supply, dressing and trash carts, telephones, waste containers, laundry hampers, exterior urinal surfaces, etc.

## SURGE™

### Foaming Antimicrobial Cleanser

Surge aerosol offers maximum economy because in one operation it cleans, disinfects, deodorizes, and sanitizes. Surge removes water-soluble stains from any washable surface and does not leave a cleaning ring like solvents or detergents—will not discolor any washable surface. It also helps to control odor-causing bacteria by destroying the source of odors while cleaning, leaving a fresh, clean smell.

**APPLICATIONS:** Recommended to spot clean rugs, upholstery, drapes; to clean and disinfect soils and fingerprints from walls, finished woodwork, floors, cabinets, metal beds, carts, hampers, dressing carts, and wheelchairs; excellent for cleaning and disinfecting sinks, basins, tubs, shower stalls, toilet seats, refuse cans, urinals, and other nonporous environmental surfaces.

## TISAN™, C/M

### Antimicrobial • Disinfectant • Sanitizer • Deodorant

Check-Mark™ Tisan is a quaternary aluminum chloride disinfectant suitable for use on floors, walls, furniture, fixtures, and other surfaces. Tisan may be applied by wipe, mop, spray, or fogging.

**APPLICATIONS:** Recommended for disinfection of environmental surfaces, furniture and fixtures, for wash basins, and urinals. Shall be used for general inanimate objects such as floors, walls, in corridors, lavatories in schools, motels, and other public buildings.

## TRIG™

### Multi-Purpose Concentrated Cleaner

Trig is a multi-purpose cleaner that removes soil from any washable surface. It works in hot or cold water without using caustics, abrasives, ammonia, or free alkali. The super-concentrated formula extends with up to 100 parts water for economical and versatile cleaning. Trig leaves no soapy film, so no rinsing is required and it will not streak when cleaning glass. Simply apply Trig with a sprayer, mop, or cloth.

**APPLICATIONS:** Recommended for apartment complexes, hotels and motels, banks, municipal buildings, retail stores, office buildings, health spas, schools, and restaurants for use on metal, concrete, sealed wood, glass, plastic, painted surfaces, laminated plastics, floors, walls, vinyl upholstery, and more.

## TWINKLE™

### Air Freshening Granules

Twinkle™ provides a fresh smell to carpets, ashtrays, trash containers, and more. It freshens the air with a floral aroma for hours of odor control.

**APPLICATIONS:** Recommended for use in trucks, buses, automobiles, garbage cans, kennels (keep out of food), locker rooms, storage bins, offices, etc.
